The Duke of Devonshire, it is said, will soon retire as governor general of Canada, and the London Mail reports that the Duke of Athlone, brother of Queen Mary.

Athlone was Princess Alice, a daughter of the late first Duke of Albany. The duke is forty-five years old and is a son of the Duke of Teck.

## CLEMENCEAU DECLARES IT IS TOO LATE NOW FOR HUNS TO MAKE DENIAL

Points to Germany's Attitude  
Toward France in 1871 And  
Russia in 1917 as Precedent

REPLY MADE TO HUN NOTE

No Way of Evading Issue On  
Aggression and Responsibility  
Says "Tiger of France."

(By Associated Press)

Paris, May 21.—It is too late for Germany to seek to deny both aggression in the war and her responsibility for it. This declaration is made by Clemenceau as president of the peace conference in replying to the German note on reparation, the text of which, with the reply, was made public last night.

The argument put forth by Count von Brockdorff-Rantzaus was that Germany did not start a war of aggression, that the German people were convinced they fought a defensive war and that the present German government cannot be held responsible for "faults" of the former German government.

Premier Clemenceau takes up the points made by the German delegation and declares that the German government last November made protest against the charge in a note of Secretary Lansing that Germany was the aggressor. The president of

## BOLSHEVIKI REGIME CRUMBLING RAPIDLY FROM INTERNAL UNREST

London, April 24.—(Correspondence of The Associated Press)—The Bolshevik government of Russia is reported to be beset by grave internal troubles, especially in North Russia. Definite evidence of disaffection among workmen in that district has been exhibited recently by hostile demonstrations against the Soviet authorities, by strikes and sabotage.

The Bolshevik financial position is rapidly growing worse. Reports submitted by Krestinski, commissary for finance, for the second half of 1918, show a deficit owing to the fact that the "single tax on the possessing classes," which was estimated to yield 10,000,000,000 rubles, yielded only 450,000,000 as the townspeople of the "possessing class" were financially exhausted

and the peasants offered armed resistance to force payment.

A large wing of the Menshevik or moderate party has refused to adhere to the Bolsheviks and adopted the following program:

Opposition to Bolshevik rule, which is declared to have "resulted in chaos and the destruction of national life in Russia."

Revival of capitalism on democratic lines as being the only means of restoring Russian industry and commerce with the outside world.

The convening of a constituent assembly, to be elected by general franchise.

Restoration of the old frontiers of Russia, exclusive of Finland and Poland, with a grant of local political autonomy and a federal tie uniting such territories as desire independence.

State control of industry, as opposed to workmen's control.

**German Cabinet Issues Formal Statement to Associated Press Declaring Terms If Accepted Without Change Would Virtually Destroy Central Empire.**

## MODIFICATION OF TERMS DEMANDED

**In Face of German Declaration Belief Still Exists That Huns will Ultimately Sign Treaty—Orlando Makes Flying Trip to Rome.**

BERLIN, MAY 21.—(Associated Press)—"Germany declines to sign the peace terms laid before it because they spell the economic destruction, political dishonor and moral degradation of the entire German nation, not only for the present, but also for still unborn generations," was a statement authorized by the Cabinet today through the Associated Press.

"That these consequences must logically follow acceptance of the peace conditions, the American press itself has recognized without question," the statement says.

"Toward them, Germany took the standpoint that acceptance of such conditions could not be demanded and that the Entente was unjustified in imposing such demands."

(By Associated Press)

The definite statement that Germany will not sign the peace terms as they were presented to her plenipotentiaries at Versailles is made by the German Cabinet through the Associated Press.

Statements along a somewhat similar line by President Ebert, Premier Scheidemann and other Germans in high position have preceded this one.

Meanwhile, European dispatches show that Germany's representatives are still endeavoring to secure modifications of these terms. Thus, another note was sent yesterday by the German peace delegation at Versailles to the secretariat of the peace conference. This was the tenth communication forwarded to the Allies by the Germans since they received the peace terms.

The contents of the note are not as yet known. In a day or two the German representatives are expected to transmit to the Allies a comprehensive statement on Germany's attitude towards the peace treaty as a whole, specifying what points they accept and what they desire to have modified. The fifteen day time limit for them to make known their stand-point expires Thursday.

Up to yesterday, at least, the prevalent opinion in Paris seemed to be that, notwithstanding all their protests, the Germans ultimately would sign the treaty.

Premier Orlando of Italy has gone to Rome for a conference with members of his cabinet on "certain interior and foreign questions," according to a Paris dispatch.

It seems probable, therefore, that the peace terms will not be presented to the Austrian delegation before Friday, when the Italian Premier is due to return to Paris.

In view of the fact that the settlement of the Italian and Jugo-Slavian claims to Fiume and parts of Dalmatia are still not settled, and that every effort has been made to bring about an agreement before the peace terms are laid before the Austrians, it may be assumed that Orlando's flying trip to Rome indicates some new development in the work of adjusting the situation. Apparently he will remain at Rome only a few hours.

Judge Schumacher, who represented Tyrol in the Austrian peace delegation, has returned to Vienna, it is stated in Paris advices. It is pointed out that he was bitterly attacked by

the Italian and the French newspapers for his activities against the Italians at Triest, where he was stationed during the war.

It is said that Chancellor Ritter, head of the Austrian delegation sent him back to Vienna in the interest of harmony during the negotiations.

Washington, May 21.—Repeated statements by German officials that Germany cannot consent to accept the peace treaty, have led officials here to consider the course to be pursued in event of failure of the Paris conference to bring about the restoration of peace in the near future.

While announcement has come from Paris that the supreme council has arrived in the U. S. as Finland's first plenipotentiary to this country. He is accompanied by his wife, brother and secretary. He represents three and a half million people. Saastamoinen visited the U. S. ten years ago and spent a year touring the country. He is now thirty-three.

## MORE TIME TO MAKE REPLY IS ASKED BY HUNS

Other Notes are Being Prepared  
for Allied Delegates.

(By Associated Press)

Pairs, May 21.—Count von Brockdorff-Rantzaus, head of the German peace delegation, has asked for an extension of time for Germany to present her reply regarding the peace terms.

The count stated that further notes were being prepared, and that it would be impossible to complete them by one o'clock Thursday.

It is believed, says the Havas Agency, that the request for the extension will be granted.

The note says the Germans desire more time to study a number of questions in the treaty which they have not yet had an opportunity to examine. There is no official indication regarding the decision of the Chicago Tribune which is being sued by Ford for \$1,000,000 damages on charge of Libel.

## CENTENARY FUND IN OHIO PASSES HALF WAY MARK

Present Rate of Increase Means Raising of Great Sum by Close of Week.

Columbus, O., May 21.—Over \$850,000 of the \$15,000,000 quota of the Methodist Missionary Centenary in Ohio had been reported officially to the Area office here at the close of business hours Tuesday. Several districts had not made their reports cov-

ering the beginning of the intensive drive Sunday, and over 700 churches had not yet made even partial reports. Officials of the Area believe there is every indication that the goal will be reached at the close of the intensive week next Sunday evening.

The campaign in this territory is part of the \$115,000,000 campaign of the Methodist Episcopal church. At the same time, the Methodist Episcopal church South, is conducting a similar campaign for \$35,000,000.

The largest increase reported over Sunday in Ohio came from the Cleveland District. Northeast Ohio Conference, where the figures jumped from \$169,805 to \$591,375, in a single day. Every district which is reporting is showing large increases.

Based on reports from the entire country, officials of the Centenary believe that the goal—the greatest ever attempted by a religious body, will be reached by the close of the intensive drive Sunday evening.

## Showing the World What 600,000 Owners Know

A few days ago a stock Model 90 Overland touring car again proved its stamina by smashing completely the world's non-stop high gear record. The official records prove it to be one of the greatest reliability records ever made by any car. The distance covered was 129 miles better than the best previous showing.

This test was made in Oklahoma. It was not staged on boulevards. The daily average was over 600 miles through the severest weather, and over every kind of road from country highways to crowded city streets. The distance was equal to a trip from New York to Los Angeles, and back to Oklahoma City.

The car was sealed in high gear and the shift lever was removed. Not once was there the slightest mechanical trouble, the least hesitation, or the faintest break in the smooth, even action of the Overland motor.

At the end of seven days and seven nights of grueling test the Overland Model 90 finished in as perfect running condition as when it started, and this standard car is an exact duplicate of the Model 90 we will be glad to show you.

This test does not make the car any better, it merely proves in a dramatic way what owners already know about this wonderful car.

## DELIVERS ADDRESS TO COLORED CITIZENS

At Memorial Hall Tuesday evening Rev. T. E. Mathis, of Wilberforce, delivered a stirring talk to the colored citizens of this city.

Rev. Mathis spoke largely of the colored man's part in the world war and the opportunities which lay open to the colored race. Rev. Mathis is a speaker of marked ability and the audience was greatly pleased with with the address.

It was the speaker's second appearance in this city, Rev. Mathis having delivered a lecture at the Rogers A. M. E. Church several nights ago on virtually the same topics treated in his lecture Tuesday evening.

The lecture of Tuesday night was under the auspices of the Rogers A. M. E. Church.

Music for the occasion was furnished by a vocal chorus and was thoroughly enjoyed by every one.

## INVITATIONS GO TO ALL SOLDIERS

The invitation committee, George H. Hitchcock, Chairman, sent out invitations last week to all Fayette County returned soldiers and sailors, requesting each one to be in this city on the 27th. It is asked that every man be in uniform on that day.

Any man who might have been overlooked will be made just as welcome as all others, it is announced.

## INFANT SON BURIED MOTHER VERY LOW

Mr. and Mrs. Harold Lininger, of New Holland, have the sympathy of a large circle of friends in both this community and that of New Holland in the death of their infant son, but twenty-four hours old named Maynard Lee, at the Fayette Hospital Tuesday night at ten o'clock.

The little body was taken to the home of Mrs. Lininger's sister, Mrs. Joseph Owens, where a brief service was held Wednesday morning and followed by burial in the New Holland cemetery.

It is learned with much anxiety that Mrs. Lininger is in a serious condition, two trained nurses having her under their care.

## UNION SERVICES FOR RETURNED SOLDIERS

Senator Frank B. Brandegee.

Senator Brandegee of Connecticut has been named by the Republicans as chairman of the important committee on committees of the United States senate. He will choose the new members of the foreign relations committee, which will pass on the peace treaty, and it is said will name no senator who is favorable to the present constitution of the league of nations.

## NEW HOLLAND SENIORS PRESENT GOOD PLAY

The Class of 1919 of the New Holland High School presented a splendid class play at the Township Hall, Tuesday night to a packed house. The popularity of the play and the fact that large numbers were turned away and could not secure even standing room, led to the repetition of the play Wednesday night.

The four graduates, Misses Helen and Grace Gerhardt, Leota Barkley and Ruby Armstrong took leading roles with marked ability and were ably assisted by violet Gooley, Dorothy Bryant, Sidney Bloomer, Ivan Bennett, Ray Shepherd, Harold Slagle, Thurman Price, Floyd Jester, of the High School.

The play presented was "The Valley Farm," which developed a very amusing plot, centering around a young New York Aristocrat who fell in love with a country girl while visiting on a farm, married her and took his bride back with him to his home in New York. His snobbish mother and sister are infuriated and attempt to separate the young couple. They are finally successful; the bride goes to her home only to be followed by her husband, who realizes that she means more than any thing else to him.

The play is put on in three scenes, scene first an old fashioned country home; scene second, fashionable tea room in New York; scene third, Country scene. The stage settings and costumes were well worked out.

Misses Lattimer and Page were the teachers who capably directed the play. Good Music was furnished by the New Holland Orchestra.

Commencement Exercises will be held Thursday night and the Alumni banquet Friday night.

## TRAINMEN URGED TO LEND A HAND

(By Associated Press)

Columbus, May 20.—Declaring that the deficit incurred by railroad during the past 12 months has not been the result of government control but of abnormal business conditions caused by the war, Walker D. Hines, Director General of Railroads, today urged members of the Brotherhood of Railroad trainmen to redouble their efforts to bring about increased economy and efficiency in railroad management.

It is up to the railroads themselves to justify increased wages that have been granted since the government took charge of the railroads and to assist in informing the public, which is wont to criticize as to the real reason of the deficit, he said.

During 1918, the railroads lost \$235,000,000 and during the first three months of this year \$192,000,000 according to Mr. Hines.

**The President's Message**

The message of President Wilson to Congress seems to remove the last ground for doubt that the railroads of the nation will return to private ownership.

Taken under control by the government, announcedly as a war measure, there has always existed, since the railroads first passed from private control, some considerable speculation as to whether the national administration would, at the termination of the war, release the transportation lines again to private control.

The message to Congress removes the last doubt. "The railroads will be handed over to their owners at the end of the calendar year," is the specific statement.

The statement with reference to the telegraph and telephone systems is no less explicit. "The telegraph and telephone lines will, of course, be returned to their owners as soon as it can be done without administrative confusion" the message states.

Thus, so far as the executive is concerned, government ownership, or control even, is to end almost "at once."

In recommending the repeal of war-time prohibition, designed to conserve agricultural products, so far as it effects beer and wine, President Wilson invites powerful opposition of those who do not distinguish between the war measure and real prohibition on moral and general economic principles.

In courageously recommending return of the railroads he has invited the opposition of the employees and the large group of the radicals in both political parties who favor government ownership, but in both proposals we believe the majority of Americans will support the chief executive.

The demobilization of the unpopular bureaus of control, so far as the executive is concerned, is finally and flatly decreed.

**Save Our Trees**

One of the most beautiful spots hereabouts is the court house square. Of course the beautiful temple of justice building and the handsome memorial arch now in process of construction are pleasant to look upon but it is the natural beauty of the square, the lawns and the splendid shade trees which, at this time of year, especially are so attractive.

We were all sorry when the old trees in the grass plot outside the grounds proper were removed last fall, but they were unpopular water poplars which have, by decree of the authorities, been forbidden to grow within the city limits and, while they were beautiful to look upon, the fact that their spreading roots were a menace to sidewalks, curbs and drains, in a measure relieved the regret incident to their removal.

This city is not possessed of a very heavy tree population. We need to preserve all the shade trees we have and to plant more of them. Nothing so beautifies a city, large or small, as shade trees. The improvement of the streets has, though absolutely imperative, cost Washington a fortune in shade trees.

It is so easy to forget, save in the blistering days of the long, hot summer, the welcome refuge of the friendly shade trees and so easy, in other seasons, to be unmindful of their matchless beauty that there is grave danger that the ax, the saw or the pruning shears be used to prodigally.

**Senator Lodge Objects**

Senator Lodge issued a statement on the first day of the extra session of Congress expressing opposition to the league of nations covenant as incorporated in the peace treaty and expressing the opinion that a majority of the members of the Senate are in accord with him in his opposition to the peace league proposal.

The announcement of Senator Lodge's does not come as a surprise. The nation expected nothing else of Senator Lodge. He is opposed to everything and anything the Paris conference has done. His political and personal enmity to President Wilson is so intense that he is opposed to anything that the chief executive suggests. Senator Lodge seems unable, brilliant though he is, to prevent his hostility for President Wilson from extending to every project which the chief executive urges.

The sweeping objections of Senator Lodge—all wrong and nothing right in a proposal which has the approval of all the great statesmen of the time—are proof of the underlying cause.

It is well enough even now to consider carefully the treaty and the league proposal before final adoption, but objection to certain provisions and praise for certain others must be based on the provisions of the document themselves rather than hostility to the administration.

TAILOR-HABERDASHER**Horse Sense About Tobacco**

Good tobacco ought to be like a well-bred hoss—all th' kick taken out but all th' spirit left in.

You see, half the secret of makin' a good hoss is in the breedin' an' half in the breakin'. Selectin' tobacco that's grown right is only half of makin' Velvet. The agein' is the other half.

That's only one kind of agein' that gets th' right results—Nature's own. Nature's no clock watcher. She does a job right whether it takes two years or two thousand.

So when she gets through with the fine Kentucky Burley that we put away in wooden hogsheads for two years, it's just right.

It ain't been hurried none, or short-cut. It's a Nature-done job.

All kinds of things are packed in tobacco tins, but your good neighbor will tell you "Velvet is the real pipe tobacco." Prove it for yourself.

## RANDOM NOTES

### SOCIAL : PERSONAL MENTION : CLUBS

Maple Grove Hotel as well as becoming a popular summer resort is becoming a popular place for a number of social functions including dinners and dances.

Since the opening on May first, every branch of the Quartermaster's Department at Camp Sherman has entertained at the hotel, besides, a number of other organizations.

Attractive as is this resort always; with its ideal location and wonderful overlooking sweep of hills and valleys just now with the fresh green verdure and bloom of May it is more alluring than ever and Manager Culhan and his family give to their guests a personal attention and courtesy that adds immensely to the hotel's popularity.

Flowers in abundance are wanted for the welcoming home celebration next Tuesday, flowers are to add a picturesque feature as they will be showered by pretty young girls upon the returned soldiers in the march.

Hon. J. D. Post, chairman of the flower stands, is urging that all flowers which can possibly be spared be given for this purpose and that he be notified, so as to make arrangements about them.

The recent marriage of Francis Burton Harrison, Governor General of the Philippine Island, and formerly member of Congress, and Miss Elizabeth Wrentmore, eighteen years old and a student at the University of California, put an end to parental opposition which decidedly opposed the union.

The marriage was the culmination of a romance said to have begun a year ago when the Governor General met the present Mrs. Harrison at a dance at the palace in Manila. The romances met obstacles, however, one of which caused the marriage ceremony to be performed in Chicago instead of at the home of the Governor General's mother, Mrs. Constance Cary Harrison, author, in Washington, D. C.

When the engagement was announced in New York several months ago Mrs. Wrentmore said she would not give her consent to her daughter's marriage. Harrison's age, she said, was the only bar. The other obstacle, a more recent one was a diphtheria quarantine at the Wrentmore home. Miss Wrentmore was said by health authorities to have disregarded

the quarantine when she left a short time ago.

There was a third obstacle. Mrs. Mabel Judson Harrison, the Governor General's second wife, today in San Diego, Cal., obtained her trial decree of divorce. With that bar removed, final details for the ceremony were arranged at once. Harrison's first wife was Mary Crocker, of San Francisco, who died in 1905.

Mrs. Chester A. Hall charmingly entertained the Tuesday afternoon Kensington Club. Spring flowers were tastefully used in decoration and a most tempting collation served.

Mr. and Mrs. C. H. Michael cordially extended the hospitality of their home on the Lewis pike in an enjoyable dinner at which Mrs. Ed Pfeifer, Mr. and Mrs. Ed Coil, of Eber, Mr. and Mrs. Floyd Eichelbarger were guests.

Mrs. William Buck and two children arrived the first of the week from Detroit, Mich., to visit Mrs. Buck's sister, Mrs. D. H. C. Bowen and family.

Mrs. Charles Flint, of Sabina, was a shopping visitor here, Tuesday.

Miss Elsa Sever and Miss Mary Hyer attended the High School Commencement at Sabina Tuesday night. Miss Sever's cousin, Miss Lillian Wilson, was one of the eleven graduates.

Mrs. H. B. Dahl and Mrs. Frank L. Stutson returned Wednesday from a week's motoring trip to Columbus, Delaware and Cincinnati.

Mr. E. A. Ellies and family have moved from one half the Rief double house on West Market street into one half the double house on Hind street known as the Young property, but recently purchased by Mr. Charles Persinger. Mr. Allen West and family have moved back to their farm north of Bloomingburg on the Columbus pike, and are now living in a tenant house on the farm until their home is completed.

Mr. and Mrs. Will Hay, Mr. and Mrs. Robert Bryson have returned from a week's fishing trip at Russel's Point.

Miss Ruth Baker is recovering from an operation at the home of her brother, Mr. Morris Baker and family.

Herbert Patterson is a guest in town from Wilmington.

Mr. and Mrs. Elon Thornton have moved from Dayton Avenue to Oakwood avenue into the house formerly occupied by Mr. James Clark and family.

Arthur Lewis and Ernest Conner attended the Sabina High School Commencement Tuesday night.

Mr. M. D. Robinson, who was the guest of Mr. Wert Shoop while here buying shoes from the P. Hagerty Shoe Company left Wednesday night for his home in Logan Utah.

Miss Jean Worthington, chaperoned by Miss Doris McFadden, motored to Oxford, Ohio, to be the guest of her sister, Miss Edith Worthington at the Western College for "Tree Day," and other college festivities. Miss McFadden returned Wednesday evening.

Mrs. J. W. Holman left Wednesday for Pittsburgh to join Mr. Holman for a month's stay.

Mrs. C. C. Irwin, of Greenfield is the guest of her sister, Mrs. Ralph Penn this week.

Mrs. J. D. Kerr returned Tuesday night from a visit with her daughter Mrs. John Zollinger in Piqua. Mrs. W. J. Galvin, son Wayne, and Mr. R. K. Kerr were over from Lima spending Sunday with Mrs. Kerr and the Zollinger family.

Mr. Willis Lansinger and family moved Wednesday into the Mrs. Frank Flee Sr. property on Van Deeman Avenue, which Mr. Lansinger purchased some time ago. Mrs. Flee since selling her home bought Mrs. Sam Adam's house on E. Paint street which she and her family now occupy.

Mrs. John Noble has joined Mr. Noble for an indefinite stay at their farm at Carlisle, Ind.

Mrs. Eva J. Penn is the guest of Mr. and Mrs. Ernest C. Robbins in Marion to attend several Eastern Star social affairs. Mr. Robbins was Past Grand Patron at the same time that Mrs. Penn was Worthy Grand Matron O. E. S. of Ohio.

Miss Lillie Henkle, of Columbus, is spending a couple of weeks the guest of her uncle, Mr. A. C. Henkle and family and cousin, Mrs. George Sheets. Wednesday she went to Maple Grove Springs for a few days stay.

Sergeant Charles Bryant of the Quartermasters Department, Camp Sherman is home on a five day furlough.

Miss Elizabeth McDonald came home from Mount St. Joseph's Academy On-the-Ohio Sunday, having completed her studies but will return the middle of June to graduate.

Mr. and Mrs. Logan Buzick, Mrs. S. F. Snider and guests, Mrs. Roy Siebert and son, James Marshall, of Springfield motored to Chillicothe, Sunday to visit Major and Mrs. Frank Hanlon and their two week old son, Francis Joseph. Mrs. Hanlon and son were at the Chillicothe Hospital.

### 35 TO 50 HUGE FLOWER FLOATS FOR BIG PAGEANT

Scores of Persons Now Busy Preparing For Great Spectacle Here May 27th.

At the present time scores of persons are busily engaged preparing a large number of beautiful floral floats which will be a feature of the great pageant to be presented in this city on the afternoon of Tuesday, May 27th.

Fully 35 floats have been promised up to the present time, and there is considerable rivalry on as to which float will be the most attractive.

It is expected that additional floats will be promised so that the number may be greatly increased over the present figure.

Tens of thousand of flowers will be required to produce the beautiful and artistic creations desired by those entering the floats. Leading societies and organizations will have floats in that pageant, and many individuals.

### SAD WORD RECEIVED

On Wednesday morning Miss Estelle M. Morris received a telegram bearing the sad word of the death of Mr. Jess Barber her nephew by marriage in St. Louis, Mo., at two a. m. Wednesday.

Mr. Barber's wife was Miss Deane Shoultz, daughter of Mrs. A. L. Shoultz, of St. Louis, and before her marriage frequently visited at the Morris home with her grandparents and aunt.

A large number of relatives and friends will learn with sincere regret and sympathy of the great loss which has come to Mrs. Barber and her three children.

Several months ago Mr. Barber, while in Texas succumbed to an attack of the influenza from which fatal complications developed.

Funeral services will be held at 2 p. m. Friday in St. Louis.

(By Associated Press)

St. Johns, N. F., May 20.—Frederick P. Raynham, the English aviator whose intention it was to attempt the ocean flight simultaneous with Harry G. Hawker, believed to have been lost at sea, and who came to grief when his Martynside plane was wrecked while running to the "take off," announced today that he was in the race again for the non-stop ocean cruise.

Recovered sufficiently from injuries suffered when his plane collapsed to leave his bed, Raynham said that the machine could be rebuilt with spare parts on hand here, provided the motor was in working condition.

While the Handley-Page and Vilmey mechanics are assembling their huge machines for the ocean hop, the little Martynside will be removed to town for repairs.

**NO SMALL KERCHIEF**

London, April 23.—(Correspondence of The Associated Press)—Girls are not buying small handkerchiefs anymore. During the war they have been used to men's handkerchiefs about eighteen inches square, while in uniform, and the general demand especially in the country is for the bandana in all colors and designs.

Engine Trouble Halts Commander Read as He Prepares for Last Leg of Overseas Trip.

**N. C. 3 IS DISMANTLED**

N. C. 1 Ordered Stricken From Navy's List of Hydroplanes

(By Associated Press)

Washington, May 21.—Although weather conditions were favorable, Lieutenant Commander Albert C. Read was unable to get the seaplane N. C. 4 away from Ponta Delgada today for the 800 mile flight to Lisbon, Portugal, because of engine trouble which developed when the ship was being turned up.

Dispatches to the Navy Department indicated the motor trouble was not serious and officials expected Commander Read to get away at daybreak tomorrow to complete the first trans-Atlantic journey by air.

Commander Towers has recommended the N. C. 1 be stricken from the navy list as "lost at sea" and that the N. C. 3 be placed out of commission for rebuilding when she arrives in New York. The N. C. 3 is being dismantled at Ponta Delgada.

**N. C. 4 ALONE REMAINS TO FINISH RACE**

Plane That Made Poor Showing at Start Only One to Finish.

(By Associated Press)

Washington, May 20.—Tugging at anchor in the harbor of Ponta Delgada, Azores the seaplane N. C. 4, the lone surviving entry of the American Navy for first trans-Atlantic flight honors, awaits only favorable weather for the start of the 800 mile dash to Lisbon, Portugal.

After three days at Horta, where she landed upon completion of the record breaking flight from Newfoundland, Lieutenant Commander Read's big ship flew to Ponta Delgada today in remarkably fast time, covering the 150 miles in 44 minutes.

Rear Admiral Jackson, in reporting the arrival of the N. C. 4 at Ponta Delgada, said the plane was "O. K."

The Navy Department received a report tonight from Commander Towers of the sinking at sea of the N. C. 1 and the commencement of the dismantling of the N. C. 3, preparatory to shipping the plane back to the United States.

Previous reports had said the N. C. 1 was out side the port Horta in bad condition, and it is presumed by Navy officials that her bow was torn out by destroyers attempting to tow her into port.

It might be suggested to Mr. Armstrong that the public is not interested so much in any plan for government regulation of the packers as it is in a scale of prices which would make it possible for the average man to have a T-bone steak about once a week.—Nashville Southern Lumberman.

He speaks English and the Ottawa language fluently. He is twenty-three.

**36 YEARS AGO**

Mr. Elias McCoy states that 36 years ago Wednesday rain in the morning turned to sleet by noon and by night four or five inches of snow covered the ground, while in parts of Ohio the snowfall was 14 inches. He also recalls that frost on Sept. 8th of that year killed much corn.

**"SONG OF HATE" TERM APPLIED TO THE TREATY**

German Cabinet Statement Insists Germany has Grounds for Claims.

(By Associated Press)

Berlin, May 21.—Part of the German Cabinet statement to the Associated Press regarding refusal to sign the treaty says:

"Germany has not only a moral right to compliance with the general promises made it, but a firmly grounded, clearly defined claim according to the basic rules of international law, on all the Entente powers and especially on the United States."

A specific recognition of the rights of Germany and the German peoples to a peace of right, justice and reconciliation instead of the song of hate which was written at Versailles, is contained in the note of Secretary Lansing of November 5th, 1917. In it the Secretary of State notified us that the established basis of President Wilson's fourteen points would be authoritative for the peace conditions. Secretary Lansing announced the Entente governments also were prepared to recognize the conditions of President Wilson as the basis for the conclusion of peace. The declaration of rights emanating from these specific declarations of all Entente powers and the United States constitute Germany's sole asset in the general moral breakdown of all international policies which has found unsurpassable expression in the Versailles document.

San Francisco, May 21.—"Good-bye dear old Oregon," was the sentiment voiced by hundreds of men, women and children during the last week of the Victory Liberty Loan campaign when they visited the famous old battleship for the last time as she lay at anchor in San Francisco bay. Within a few weeks the grim fighter of nearly a quarter of a century ago will take her place with the "Constitution" in the hearts of the American people; the Oregon will go out of commission and become a memory.

Speedy Enactment of Amend ment Predicted.

(By Associated Press)

Washington, May 21.—The woman suffrage constitutional amendment resolution was passed, today by the House after less than three hours' debate.

The vote was 304 to 88, or 42 more than the necessary two-thirds.

The resolution goes to the Senate where supporters plan to urge speedy action. Final enactment of the measure within two weeks was predicted by some suffrage leaders.

Attorney-General Price Says Liquor Can be Stored Or Shipped.

General Assembly Can Prevent Such Acts.

(By Associated Press)

Columbus, O., May 21.—Unless the General Assembly decrees otherwise upon its return next week it will be lawful after May 27th when the state becomes dry, to store liquor in places other than where it was sold, and also to ship it out of the state at any time before July 1, 1919, when Federal prohibition becomes effective throughout the country.

This was the ruling of Attorney General Price today to the State Liquor Licensing Board. In another ruling the Attorney General holds saloon owners forced out of business by the dry amendment are not entitled to any refund of the Dow-Alken liquor tax.

**YANK NICKEL DANCE PLANNED**

London, April 20.—(Correspondence of the Associated Press).—The American "Nickel Dance" is to be introduced here for the first time. If the name London newspapers give it sticks it will be known as the "Three-penny Jazz."

The old American Roller Skating Rink in Hammersmith has been acquired as the home of the new dance temple where the "Pay-As-You-Rag" innovation as it is called is to be tried out. When completed the pavilion will be one of the largest in Europe. In its gold and rose ballroom, 3,000 persons will be able to dance simultaneously with comfort.

Seating accommodations will be provided for 1,600. Including two 50-piece bands, the pavilion's staff will number 236.

There will be six masters of ceremonies. If a man wishes to dance with a woman he has never met, he may secure as introduction by one of the six. There will also be half a dozen attendants on the floor clad in white flannel suits. All employees are to be former British or American soldiers and sailors.

## Tired, Nervous Women What You Need is Vinol

The reason we recommend Vinol so strongly for such conditions is because it is a non-secret remedy which contains Beef and Cod Liver Peptides, Iron and Manganese Peptones and Glycerophosphates, the very elements needed to build up a run-down system and replace weakness with strength.

### HERE IS PROOF

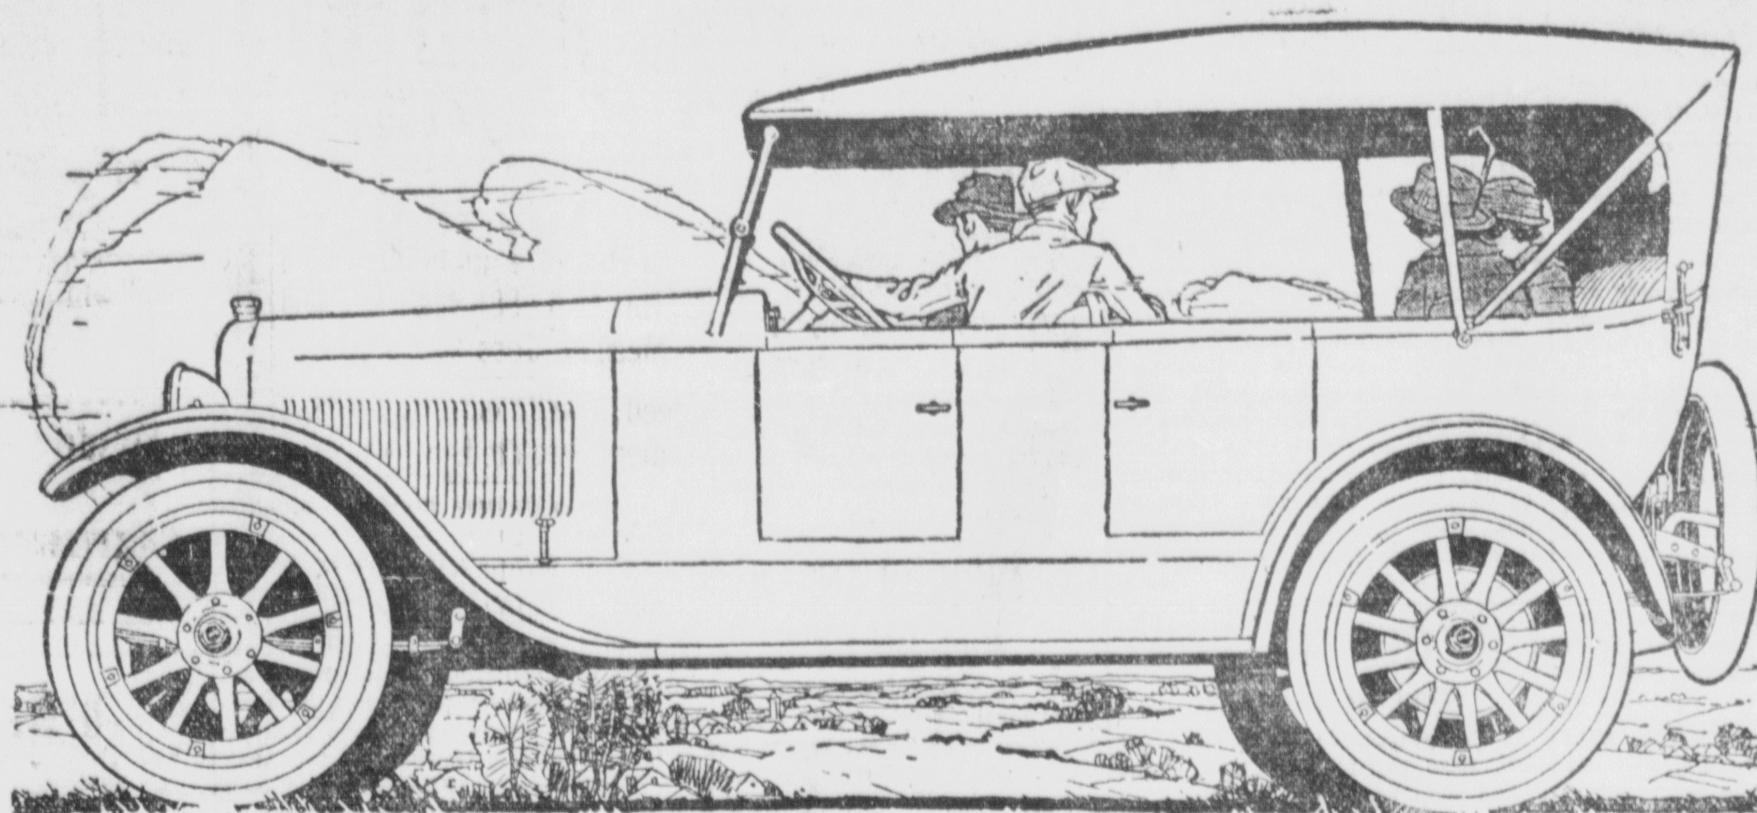

Glasgow Jct., Ky.  
Milwaukee, Wis.

"I was suffering from a nervous breakdown—loss of flesh and poor appetite so I could hardly drag around and do the work for my family. My doctor prescribed Vinol. It not only made me well and strong but I have gained in weight." —Mrs. S. M. Gray.

For all run-down, nervous, anaemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

and the Price is Only \$1795

THE new Chandler touring model is here. We have waited for it. Old Chandler owners have waited for it. It's here now and we are all proud and happy.

The Chandler of the past has had splendid bodies, but the new Chandler touring car even surpasses its immediate fore-runner in beauty of line, in bigness, in comfort of its cushioning, in the nicety of its custom-like workmanship and in its lustrous finish.

The new Chandler Touring is a big car. Its high hood and radiator, its broad cowl, its wide and deep doors give it distinctive appearance.

### And it RIDES--it rides like a dream

Nothing has been cut out to permit the delivery of this fine big touring car at the Chandler price. Indeed, many little details of nicety are added. The back curtain window is beveled plate glass. The clear-vision side curtains fit snugly and open with the doors. There are detachable rear quarter-bow curtains. There are outside door handles.

Features which have been standard Chandler qualities in the past are continued. The cushions are upholstered in genuine hand-buffed plaited leather. The front compartment floor boards are covered with heavy gray linoleum, aluminum-bound. The two comfortable auxiliary chairs fold away, entirely concealed, when not in use.

### Carrying this Handsome Body Is the Famous Chandler Chassis

You will choose the new Chandler touring for its bigness and its comfort and its handsome dignity. But you will choose it, too, for its mechanical excellence. Fifty thousand Chandler owners know, better than we can tell you, what a good car the Chandler is. The famous Chandler motor and the sturdy excellence of the whole chassis make the Chandler notable among fine cars.

The Chandler continues for 1919 all its distinguished mechanical features; solid cast aluminum motor base extending from frame to frame, silent chain drive for the auxiliary motor shafts, annular ball bearings, Bosch Magneto ignition and many other features of design and equipment characteristic of the highest-class motor car construction.

standard lights, gracing the front entrance of the building and filling a long felt want.

This ended the presentation of the memorials and Fred M. Mark, president of the Board of Education, was called upon to accept them in behalf of the schools. Mr. Mark's words were eloquent and fitting and paid a just tribute to the work of the classes.

Hon. C. A. Reid, in his happy speech of acceptance in behalf of the community, praised the memorials and the spirit which was manifested by the classes in their work of beautifying the High School building.

It is understood that this is but the beginning of the work of decorating the high school building and it is thought that in a few years the local high school can boast a collection of art which is second to none. Many pieces have been added in former years and the work will be kept up in the future.

### NOW REBUILDING WILMINGTON PIKE

The contractors who were awarded the job of rebuilding the Washington and Wilmington pike, from the Fayette county line to the corporation limits of Wilmington, are now busily engaged and have started the work in a business-like manner, fully realizing the importance of doing the work as speedily as possible and at the same time in a satisfactory manner.

A stone crusher has been put to work near Melvin, and the contractors are making every effort to push the work.

### MORE ATTENTION GIVEN TRUANCY

The sum of \$400 per year has been set aside from the school funds of the city to be added to the pay of the Probation Officer of the city and county, who is to assume the duties of Truant Officer for the city schools, and it is expected that this step will do much toward solving the truancy

problem, as aggressive work in this line will unearth the truant youngsters and compel their parents to send the children to school.

### REPORT AT ONCE TO JESS W. SMITH

Every secret order and other organization which is arranging to take part in the parade May 27th should report immediately to Marshal of the Day Jess W. Smith, so place in parade may be assigned.

The name of the person delegated by the society or organization to have charge should be given to Mr. Smith at once. This is important.

#### NOTICE.

Regular meeting of W. R. C. at Memorial Hall Thursday May 22 at 2 p. m. all members be present to make final arrangements for Celebration of May 27th.

#### SECRETARY.

G. R. C. MEETING. G. R. C. will meet at the home of Mrs. Willard Wilson on the Good Hope pike, Thursday afternoon, May 22nd at two o'clock.

**BRONZE TABLET  
TO BE UNVEILED**

The beautiful bronze tablet, awarded to Fayette county in recognition of the splendid manner in which Fayette oversubscribed her War Savings Stamp quota in 1918, is to be affixed to the stone wall at the right side of the south entrance to the court house, this week, and will be unveiled with appropriate ceremonies, next Tuesday—the 27th.

It is expected that several of the events will be run in record time.

"Hetty" says: Funny how many carry watches when so few seem to value time.

**HEAVY TRUCKS  
DAMAGE STREET**

Wednesday morning the work of making repairs on Fayette street where large holes and depressions have recently appeared, was started, and a number of very dangerous places in Fayette street will be eliminated.

It is believed that heavy trucks, including the heavily laden county trucks hauling crushed stone, are largely responsible for the sudden and rapid deterioration of the street.

It is claimed that some of the heavily laden trucks which have been using the streets frequent of late have been driven at excessive speed over the uneven surface of Fayette street, and the damage has been very heavy.

**EXCURSIONS ARE  
PUT ON BY B. & O.**

The B. &amp; O. is the first of the railroads touching this city to inaugurate excursion rates for the season, and on Sunday, May 25th, will run the first excursion to Columbus and return, leaving this city at 9:55 a. m. and returning at 3:05 p. m., the fare being 95 cents, round trip.

It is understood that other roads will soon announce excursions to be run nearly every Sunday of the season, and that the average fare will be about one cent per mile, plus war tax.

Call Automatic 22101 when you want to talk to "Hetty" the Jeweler.

**PROGRAM FOR  
OHIO WESLEYAN**

Delaware, Ohio, May 21. — The program for the Seventy-fifth Commencement at Ohio Wesleyan University is one of extraordinary note.

The program throughout is one of the best ever arranged for by University officials.

The spirit of the commencement season will be that of praise to those who served their country in the great war. Many members of the Class of 1918 are still in France in the service and many never shall return to their native country, their sacrifice being the supreme one. The program covers June 14th, 15th, 16th, 17th and 18th.

The ladies of Milledgeville and vicinity will give a supper of home cooking served on the cafeteria plan at the I. O. O. F. Hall Friday evening, May 23rd, beginning at 6:30. Come, take your supper with them and a good time is assured you.

WILL AID AUTO  
PARKING ON 27TH

Arrangements are being made to render aid in systematic parking of automobiles in this city on May 27th, so that as little confusion as possible will result, and guards will patrol all streets to prevent auto theft.

For the fireworks display Circle Avenue and South Main street around the tract where the display will be staged, are to be kept free of machines in order to accommodate the masses of citizens who will throng those thoroughfares, and to eliminate congestion after the display is over. No automobiles are to be allowed on Main street and Circle avenue after six o'clock in the evening.

No automobile license fees will be charged.
